

RICHARD AMBERY, GANADO & ASSOCIATES

Richard is a Partner in the Investment Funds and Services Group of Ganado & Associates, Malta's leading international law firm. Richard trained and qualified at Freshfields in London and has over 20 years experience in the financial services industry. He advises on investment fund formation and redomiciliation as well as the establishment and licencing of fund managers in Malta. Much of Richard's experience was garnered in the asset backed securities and structured credit markets and he maintains a keen interest in the management of credit opportunity, private equity and commercial property funds. In 2010, Richard has advised on the establishment of six hedge fund investment managers and a broad range of investment funds in Malta, including the jurisdiction's first fund to be established as a unit trust. Richard is qualified as a Solicitor in England & Wales as well as in Ireland and is registered with the Ministry of Justice in Malta. He was registered as a market professional with the UK Securities Association in 1988.
